• WHAT'S GOING ON IN THE WORLD OF SIGEYE?

LOCATION: Straus Park, NYC

Poncho: c/o Vans, Jeggings: c/o American Eagle Outfitters, Animal Print Cuffs: c/o Camille Zarsky & Ted Rossi, Watch: Timex, Clutch: c/o Remi & Emmy, Flats: c/o Must Have Shoes, **Sunnies: Carmen Marc Valvo**

A playful poncho made of soft sweatshirt material is the perfect alternative to a jacket for spring! And of course, I'm obsessed 'cause it has a hoodie to keep me cozy and covered-up—with pockets too!! Since it's a basic shade of gray, I had the urge to splash in punchy color with rosy-red skinnies and lots of animal print! Hope all you lovelies are staying dry this rainy day week!
